ILLNESS

We have quite a number of staff and students affected by a range of illnesses at present. Some staff and several students have been advised by doctors to stay away all week. I am aware that this is having an impact on the continuity of learning for some students. Please be assured that we are doing our best to manage this situation. However we cannot influence the power of nature. If your children are affected by illness please keep them at home so that we may be able to stop the spread of these germs and viruses.
